The Peacham School Board recognizes that from time to time, Peacham high school students may opt to study abroad. The Peacham School Board encourages studying abroad, recognizing that it is an invaluable experience for students.

However, prior to approving a tuition voucher for such study, the Peacham Board will require the following:

- Any credits earned by the student upon successful completion of studies must be accepted by the local high school to which the student plans to return; therefore, the student must obtain such assurance in writing from the Principal or Headmaster of their school;
- The tuition voucher will not be issued for more than the state allowable tuition rate.
