Cookie Donations for Caroling

Tuesday, December 22nd the students and staff will be caroling in Peacham. We will leave school at 1PM and travel by school bus. We are looking for donations of cookies (home made or store bought) to put in bags that the students will decorate and give out to neighbors along the way. Please send in cookies on Monday, December 21st. Be sure your children are dressed extra warm, as we will be outside all afternoon. Join us for caroling, if you are able. Thanks for helping to make this a special annual event.

Burke Mountain Ski Program

This year, once again, we are able to offer every student in grades 1-6 the opportunity to learn how to ski thanks to the generosity of PTF, which would not be possible without your support. The Burke Mountain Ski Program will take place on four Fridays this winter. Specific details and forms will be sent home in early January. As in previous years, the staff will accompany the students to Burke Mountain. Some staff members ski with students and some staff members supervise the lodge. Everyone is looking forward to this wonderful opportunity.

We are in need of one or two chaperones that would be willing to ski. If you are interested please let Rossana know.

The next PTF meeting will take place on Tuesday, January 5th at 6:00PM. Childcare can be made available. Please let Rossana know if you plan to bring your children.

Holiday Break

Due to there only being two days of school next week there will not be a Friday Note. All the staff here at Peacham School wishes all of you a happy and safe holiday

H1N1 Booster

On Tuesday, December 22nd Ruth will be giving the H1N1 booster to children under 10 who received the H1N1 shot on December 1st.
