- Letter from Diana Webster

May 17, 2010

Dear Parents/Guardians,

I am guessing that most of you have heard that I am resigning my position of Guidance Counselor. My last day will be June 7.

It has been such a pleasure to work at Peacham Elementary School. Out of all of the schools I have worked in, this one has always been my favorite. The teachers are dedicated, compassionate, creative educators from whom I have learned much. The size of the school, in my mind, is perfect. Each child is known and loved. I am leaving because of changes that are happening with me personally and I will, in fact, be moving out of the area. One of the students that I see regularly asked me to send a postcard, so I will definitely do that.

With Gratitude,
Diana M. Webster
